## Experience

### ■ Web Developer Telia Oslo - Norway 12/2019 - 09/2025

- Contributed to large-scale projects in cross-functional teams, driving problem-solving, strategy, and product demos.
- Developed customer dashboards (telecom) and advanced e-commerce features (filtering, bundling, payments, authentication) using ReactJS/NextJS with Redux.
- Modernised legacy codebases improving performance and system integration.

### ■ Web Developer Zeipt Oslo - Norway 03/2019 - 08/2021

- Designed responsive, scalable UIs with custom icons, graphics, and SCSS, optimised for cross-browser performance.
- Built ReactJS apps integrated with RESTful APIs, collaborating closely with backend teams.
- Supported project planning by reviewing milestones and challenges with the lead developer and CEO.

### ■ Bartender Son Spa Son - Norway 09/2015 - 12/2019

### ■ Bartender Støtvig Hotel Larkollen - Norway 06/2014 - 01/2015
